### Training Focus

The training offers an overview  
of clinical interventions,  
fieldwork photo diaries,  
transforming intergenerational  
and vicarious traumatization  
honing meaningful exchanges in  
the process of rehabilitation,  
healing individuals and  
communities through collective  
purpose. Utilizing the 7-step  
Integrative Healing Model.

This training is recommended for  
those seeking greater  
understanding of emotional  
management, lessons learned,  
transforming vicarious trauma,  
peace-building, meaning-making  
and transcendence.
