## **Sponsor a Child Project** **Partnership to save the Children** **Children globally need your help**

Meaningfulworld has created partnerships with many organizations to bring health, healing, and education to the children around the world. Children around the world experience many challenges, such as: abandonment, abuse, economic hardships, family disruptions, health issues, epidemics, poverty, and natural and human made disasters. With your assistance and tax-deductible donation you could be an agent of change and assist a child to receive education, and be an active citizen of their country, instead of being trafficked for sexual abuse, slavery, and enrollment in gangs and other groups engaged in organized crime.

**Armenia:** Meaningfulworld partnered with FAR, The Fund For Armenian Relief, to assist in bringing early identification systems/ preventive care initiatives into place. The mission of FAR is to provide preventative services for children and families who are struggling with issues of abuse, neglect, and family economic crisis, in order to keep families together and prevent children from being institutionalized (FAR). Many of the children and families who are brought to FAR's attention are suffering from physical and sexual abuse, on the threshold of abandonment, and or lack of family support systems. Since the early 1990's economic and social disruptions within country have led to a rapid decline in proper family structures, this has in large part led to many children suffering from abandonment and abuse, which in turn has increased the amount of children in institutions (World Vision Armenia). Your tax deductible donation of \$300 will sponsor a child in Armenia: Education, health, books, and uniform for one year.

**Haiti:** Meaningfulworld has partnered with 6 orphanages, 3 Universities and 6 community organizations to bring "Sponsor a Child Project" to Haiti. Your donation of \$30 will help orphans attend school; your donation of \$300 will provide a complete package of education, uniforms, books, and food for the entire year. A donation of \$125 will sponsor a university student for 4 years in the State University of Haiti.

**Africa: Kenya, Rwanda, and Burundi:** Meaningfulworld has partnered with several universities, orphanages, slums, and community centers to bring sponsorship to Africa. Your donation of \$300 will sponsor a child for a year, covering school tuition, books, and food.

*Children in Africa have to create a ball from papers, and many are starving for food, & thirsty for water*

**Your donation of \$300 would help a child to go to school and receive a basic education that is so important, and is part of their human rights.** Please send your tax deductible check made out to ATOP Sponsor a Child and mail to ATOP Meaningfulworld, 135 Cedar Street, Cliffside Park, NJ 07010-1003, or on line via pay pal at: [www.meaningfulworld.com](http://www.meaningfulworld.com).

Founded in 1990, the Association for Trauma Outreach & Prevention (ATOP) Meaningfulworld, charitable organization affiliated with the United Nations Dept. of Public Information, has achieved international recognition as a leader in training humanitarian outreach professionals as well as responding to two and a half decades of global and local disasters.
