United Nations Day Celebrating Unity

Photo Exhibit, Awards, and Reception
UN Headquarters NYC

The United Nations is an intergovernmental organization founded in 1945, to promote international cooperation and to create and maintain international order. United Nations Day marks the anniversary of the UN Charter. This year's UN Day will highlight concrete actions people can take to help achieve the Sustainable Development Goals (SDG's) and help achieve equal human rights for all.

ATOP Meaningfulworld has been educating people about human rights and helping with rehabilitation and recovery since 1990 in over 45 countries around the world as well as in over 25 US states. Since 2016 we have embraced the challenge of disseminating, teaching and practicing SDG's.

Our Shared Mission with the UN- to nurture a generation of individuals guided by love, peace, justice, and forgiveness.
