Meaningfulworld Humanitarian Mission: Haiti **17 June to 3 July**

We are planning on working with refugees at the border as well as with our collaborators in Port Au Prince and Jacmel. Our work is for healing trauma, empowerment and raising Emotional Intelligence, awareness and mindfulness. We also raise funds to support students at the elementary and University levels to attend school and we donate to children in orphanages to have food, clothing and clean water for a year. Last year Meaningfulworld supported 5 students in an orphanage, and one student at the University level this year and we would like to double that support. Your support and tax-deductible donation is greatly appreciated!!
