**Dr. Ani Kalayjian is living proof that there is a reason people from all over the globe choose to immigrate to America. It was her desire to come to this country with the hopes and the dreams of being free, to receive a good education, find a good occupation, and exercise her human rights. While**

**transcending adolescence and gender discrimination in her former country, she has found a higher level of caring and healthy practices for the prevention of disease and promotion of holistic health, educating the mind and the heart. Her analogy of peeling an onion describes how she found her inner core, the gem, the jewel and the diamond that is her.**

### ATOP Meaningfulworld:

Founded in 1990, the Association for Trauma Outreach & Prevention (ATOP) Meaningfulworld, charitable organization affiliated with the United Nations Dept. of Public Information, has achieved international recognition as a leader in training humanitarian outreach professionals as well as responding to two decades of global and local disasters. ATOP is committed to health and global education promoting state-of-the-art scientific theory, peace, forgiveness, consciousness research, internship, and the development of technical skills to train mental health professionals, teachers, psychologists, art therapists, nutritionists, alternative medicine practitioners, clergy, nurses, mediators, interfaith ministers, and lay persons committed to service the self and humanity. Meaningfulworld Humanitarian Outreach Teams have helped rehabilitate survivors from over 45 countries, making a daily difference in people's lives helping to transform tragedy and trauma into healing and meaning-making through post trauma growth, resilience, emotional intelligence, mindfulness, mind-body-eco-spirit health, visionary leadership, empowerment and artful collaboration through a new world view.
