

MeaningfulWorld

30 Years of Service to Humanity

Congratulations to 2019 Meaningfulworld Ambassadors for Humanitarian Service and Peace-Keeping

Kathy Blount, LMSW, Graduate Fellow at the United Nations

Kathy Blount is a Licensed NYS Social Worker and CEO of Sports & Entertainment Consultation Services, LLC. She retired from the NYC Administration for Children's Services in 2018 after 35 years of working with children and families. She holds an MSSW from Columbia and a MA in Communication Arts from the NY Institute of Technology. She is a DTM with the Toastmasters Organization. She has been recognized by Monroe College with the Martin Luther King Jr. Award and honored by NYC Technical College as a trainer. Currently she is a volunteer with the NYC Medical Reserve Corp. Her current projects include writing a series of children's book to encourage healing and supporting the ATOP MeaningfulWorld Humanitarian programs. Kathy lives in NYC and enjoys the theater and serving her community with her Gamma Phi Delta Sorority sisters.

Perpetua Igweatu, LMSW, Graduate Fellow at the United Nations

Perpetua is a Licensed Master Social Worker with the Administration of Children's Services (ACS) located in Bronx, New York. She has over twenty years of experience as a child and family specialist. Currently as the Bronx Borough Director for Family Team Conferences within ACS, she identifies problem areas and develops effective strategies to improve conferencing across the Child Welfare network. She also ensures community districts, and foster care and preventive agencies are aligned to bolster awareness of family conferencing and other best practices to family engagement, while leading her team towards effective & compliant delivery of services. She earned her Master's in Social Work from New York University in 1995 and recently obtained a certificate in Integrative Trauma Studies from the National Institute for the Psychotherapies.

Amna Khan, MA, Assistant Clinical Coordinator & Research Intern

Amna Khan gained her master's degree at Teachers College Columbia University in Clinical Psychology (Class of 2019) and completed her undergraduate studies at Hunter College, receiving a Bachelors degree with a major in Psychology and minor in Linguistics. She has conducted research with depressed and suicidal individuals in a suicide research lab at Mount Sinai Hospital in New York City. She is currently working in a lab with a professor at Teachers College using the Facial Action Coding System (FACS) to code expressions of bereaved individuals and has recently completed a masters level thesis on Ethnic Identity in Adolescence under the guidance of Dr. Kalayjian. She hopes to continue serving her community through her work with children and adolescents from various cultural backgrounds.

Gloria-Cole Smith, Volunteer & MeaningfulWorld Supporter

Gloria Cole-Smith has received several certifications on medical technology, writing, and computer science. She started volunteering from High School all throughout her adulthood in Churches, hospitals, and in corporations. Ms Cole-Smith continued throughout her corporate positions volunteering and connecting people, such as the 'Neighborhood Connection;' where she received an award for her outstanding contributions. She was appointed to the AT&T's Affirmative Action Committee. Ms Cole-Smith passionately believes in Dr Ani's humanitarian mission and its purpose. She joined Meaningfulworld to learn self-care, forgiveness & meaning-making, to give back fully to not only her own community, but to the world at large. She has sponsored a girl child in Haiti and has contributed immensely to the Association for Trauma Outreach & Prevention's goals and missions.
