Greetings!

A letter from the Editor

Dr. Ani Kalayjian and our MeaningfulWorld team have been working hard to continue our meaningful work locally and globally. We have several upcoming new and important events!

This Newsletter gladly brings information about: the 2019 Meaningfulworld Garden Gratitude & Healing Party (27 July - Kindly RSVP); Healing Wounds of Violence (6 June - you must register by 31 May to secure UN ID, 2019); and the Self-Care & Transforming Vicarious Trauma (18 May, kindly RSVP). The next Meaningfulworld Mission will be the Mental Health Outreach Project to Nigeria & Niger Delta: Healing, Peace Building & Mindful Leadership. Another great news is that we are calling for new interns! If you want to be part of our team let us know. We invite you to join us the following ways: as a volunteer, a fellow, an intern, or a donor, to mention a few. It doesn't take much to be a change agent and you could discover your meaning in life! Finally, our new MeaningfulWorld Ambassadors for Humanitarian Service and Peacekeeping will be Graduating on 6th June at the United Nations, and we are very proud of their hard work to make a better world!

As the new Editor of the MeaningfulWorld Newsletter it is my honor to be part of the MeaningfulWorld team. Till Next Time!
Sincerely,

Carla Hisatugo.
