# Announcing the 33<sup>rd</sup> Fordham Forum on *Careers in Applied Psychology*

**28 February 2023, Tuesday 7-8:30 pm**

Fordham University, 113 West 60 Street, NYC, room 602

What careers await the psychology student who graduates with a B.S. or advanced degree? This forum brings together 5 experts working in specific areas related to psychology. Each expert briefly describes the work in their specialty, with frank advice on what students can do while still in school to maximize their chances for later success. Each message is 10 minutes, to allow time for discussion afterwards.
