WHAT IS THE INTERNATIONAL DAY OF PEACE?

The International Day of Peace ("Peace Day") is observed around the world each year on 21 September. Established in 1981 by a unanimous United Nations resolution, Peace Day provides a globally shared date for all humanity to commit to Peace above all differences and to contribute to building a Culture of Peace. This is a long-established universal commemoration that serves all involved in Peace Day, beginning annually with the 100-day Countdown. MeaningfulWorld has begun its 10 week countdown; check our social media every Wednesday!
