Culture of peace is achieved through integration of mind, body, ecology, and spirit. This program focuses on integrative and holistic approaches to healing. Multidisciplinary, rights-based, gender-sensitive, and ecological approaches will be shared to address inequalities and good health for humans and all living things. Our aim is to empower individuals to achieve greater health, resilience, and inner peace - even in times of crisis. Join us as we explore transformative practices that unite mind, body, ecology, and spirit. We support, educate, and disseminate the Sustainable Development Goals to foster a healthier, peaceful, and sustainable world.

Dr. Kalayjian*

*Martin Luther King, Jr., you were the youngest man to have received the Nobel Peace Prize.
You were the King, but you led the people humbly;
You were the King, using your peaceful leadership to actualize your dreams.
You had a dream, your dream inspired us all.
Unfortunately, 60 years later, we are still dreaming with the hopes that “Justice will roll down like water;”
and we will live in harmony.
You defined peaceful resistance,
You were the colossal of the civil rights movement.
You motivated thousands to stand with you,
In peace & justice, with faith and love!*
