

U.S. psychologists to visit Tbilisi on Oct 19-22, 2025

This October 19-22, 2025, psychological scientists **Ani Kalayjian** and **Harold Takooshian** from New York visit Tbilisi to meet with groups of Tbilisi students and colleagues. They come with good news to share from the Psychology Coalition at the United Nations (PCUN), and as International Ambassadors of Psi Chi, the International Honor Society in Psychology.

If Ani and Harold can visit your school for a few hours this October 19-22 to offer a presentation on “international psychology,” please contact us soon to arrange a date. They were impressed by their last visit in 2019 to speak at Ilia State University in Tbilisi, photo below.
