WHAT IS THE INTERNATIONAL DAY OF PEACE?  
The International Day of Peace ("Peace Day") is observed around the world each  
year on 21 September. Established in 1981 by a unanimous United Nations  
resolution, Peace Day provides a globally shared date for all humanity to commit to  
Peace above all differences and to contribute to building a Culture of Peace. This is a  
long-established universal commemoration that serves all involved in Peace Day,  
beginning annually with the 100-day Countdown. MeaningfulWorld has begun its 10  
week countdown; check our social media every Wednesday!

Therapeutic Works Presents an all-day training on 1 May 2026

The Path to Healing: Trauma Recovery Through Emotional Intelligence, Meaning-Making, & Self-Care

This was the theme of a full-day master class organized by Therapeutic Works Inc., led by Crystal Barry and Hope Love. More than 65 participants from South Burlington, Vermont—including lawyers, case workers, nurses, psychologists, social workers, and caregivers—attended this engaging and interactive training facilitated by Dr. Ani Kalayjian, Founder and President of ATOP MeaningfulWorld, recipient of the Highest Medal of Honor from Columbia University, author of 6 books, & A humanitarian with 116 missions in 51 countries & 26 states in USA.

The training integrated experiential learning techniques, including stretching exercises, essential oils, flower essences, guided reflection, and group participation. Dr. Ani shared the following objectives:

1. Describe the five kinds of trauma,
2. List the seven steps of the Integrative Healing Model
3. Define the Four Agreements,
4. Participating in Soul-Surfing© exercises,
5. Differentiate empathy from sympathy,
6. Define Emotional Intelligence (EI),
7. Understand the process of meaning-making

A wonderful networking lunch provided participants with opportunities to connect, exchange ideas, and raise important questions. The afternoon included a healing session featuring Soul-Surfing©, meditation, and an informational presentation on Therapeutic Works Inc. The training strengthened participants' ability to respond to trauma with greater awareness, compassion, and confidence, with 65% reporting increased preparedness following the workshop.

**Participant Reflections:** *"It was such a pleasure to share time with Dr. Ani. Her energy is so infectious, and she is very easy to listen to. I loved doing yoga with positive affirmations with her. I could see how she gets people to connect from everywhere!"*

*"I'm in awe of Dr. Ani's life experience, journey, and contributions to the field of trauma. She is fascinating."*

You were the King, using your peaceful leadership to actualize your dreams.

Unfortunately, 60 years later, we are still dreaming with the hopes that “Justice will roll down like water;” and we will live in harmony.
